BEVERLY CARTER JACKSON SCHOLARSHIP PROGRAM

General Information

The Stigler Community Development Foundation administers a scholarship program, which is made possible by an endowment donation from Beverly Carter Jackson, a longtime Haskell County resident and banker. Through her kind generosity, she has made it possible to fund scholarships each year for deserving Haskell County high school seniors who desire to attend college or a vocational/technical trade school upon graduation from high school. The scholarship will be approximately \$1000.00 per semester for eight (8) semesters and must be used by the recipient for educational purposes. The number of scholarships will be determined each year by administrators of the Stigler Community Development Foundation and must be used by the recipient for educational purposes. The Stigler Community Development Foundation will select the recipient(s) of the scholarship(s) in the spring of each year. Instructions and forms will be provided to each high school in Haskell County by the Stigler Community Development Foundation.
