RE: 2016-2017 OHCE Scholarship Opportunity

Dear Advisor,

Each year the Haskell County Home and Community Education Association (OHCE) presents one honorable Haskell County high school senior with a scholarship. This year the scholarship will be awarded in the amount of \$500.00. This scholarship is the result of dedication and hard work from funds generated through area quilt shows and various other avenues. This year is no exception.

OHCE hopes to award this scholarship to the most well-rounded student in Haskell County. Aspects to be considered are:

- Longevity and participation in FCCLA, 4-H or FFA in particular with regards to leadership and responsibility within their club.
- Other commitments and responsibilities that demonstrate the student's level of commitment such as work/job ethics, sports, extracurricular activities, etc.
- Child or grandchild of a current OHCE member (not a requirement).
- GPA must be at least 2.0.

This scholarship will be awarded \$250.00 per semester. OHCE wishes to aid students who may not have other scholarship opportunities. Therefore, any student who is awarded a full scholarship by any other source must forfeit this opportunity to the next available candidate based on OHCE's selection process.

Please forward a copy of the enclosed application to any of your senior students who wish to apply or you feel is most deserving. The completed packet must be returned to the OSU Extension office located at 105 SE Third, Suite A in Stigler no later than **April 5th, 2017**. Late applications will not be accepted.

If you have any questions or need more information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'B. Womack'.
